

Nick Robson wins the Scottish Seniors' Spring Meeting at Monifieth Links

Nick Robson (Meldrum House) won the Scottish Seniors' Spring Meeting at Monifieth Links today with a fine aggregate of 147 in the most demanding of weather conditions.

Nick added a 78 to his excellent first round score of 69 to edge out local player, Maurice Lindsay (Broughty) by two shots with early starters, Graham Forrest (Northumberland) and Graham Bell (Downfield), who had set a good target of 150, one shot further back.

A group of 8 players tied on 151 including backmarker Paul Moultrie (Royal Troon) and Lindsay Gordon (Turnhouse), whose fine 73 was the best score of the second day.

Nick led by 3 shots overnight but had to battle hard for his second round score. After an opening birdie he dropped 8 shots in the next 10 holes but a fine birdie at the 15th settled things down and he held on for victory. Having won the last event of 2015 Nick has clearly started where he left off and a good season should lie in prospect.

Despite the difficult weather conditions Monifieth Links again proved to be an excellent and hospitable venue for the large field.
