

SSGS Super Seniors Final Report

Jim Kinloch victorious thanks to an up-and -down masterclass

In a keenly contested final at Stirling GC between Jim Kinloch and David A Millar Jim finally won 4&3 at the 15th thanks to an almost perfect short game performance and a number of lip-outs by David.

Tee and approach shots were neck-and-neck throughout the match, however with a 5 out of 6 up-and-down ratio that Jordan Speith would be proud of, Jim took the honours.

Both players struck the ball consistently well, with no strokes given due to identical handicaps, but perhaps having twin Peter on the bag made the vital difference for Jim!

The match was played in Great Spirit throughout and exemplified what the SSGS is all about – keen competition combined with great camaraderie!
