

SUPER SENIORS INTERNATIONAL CHALLENGE 2021

Royal Burgess GC was an excellent venue for the inaugural match and they were great hosts. The golf course was presented in excellent condition and the Club Captain, Professional and members made all the players feel welcome and ensured they were well looked after during the event.

On completion of day 1 the teams enjoyed a tour of the historic clubhouse followed by an excellent dinner. After a narrow 3-2 lead for SSGS from day 1, the teams fought out a close match with the SSGS Team running out 7-3 winners.

On completion of day 2 today, the teams convened in the sunshine outside the clubhouse for soup and sandwiches before the UKSGA Team Captain, Billy Mitchell, thanked his team, the club, congratulated the winners and looked forward to welcoming the SSGS team for the match in England next year. Billy then presented the trophy to the SSGS Team Captain, John Fraser.

John thanked Billy and his team for a great match and was sure that all players enjoyed the camaraderie and friendly competition over the 2 days. John thanked the club for hosting the event and congratulated his team on the victory. John looked forward to another competitive match next year.

The inaugural match was an undoubted success, and together with last week's International Masters at Gullane, it has been a big 7 days for Super Seniors golf!

The match was sponsored by The Clydeside Distillery, and we thank them for supporting this event.
