

## Your SSGS Team for 2019

We thought it might be a good idea, particularly for new members, to formally introduce you to the individuals who are currently entrusted with the health and progress of the Society. Please note your regional representative in case you have any questions about the venues in their “patch”.

Our Honorary President Gordon MacDonald, who conceived and helped form the Society in 2006, is still fully involved in the committee and contributes tirelessly in the organisation of our annual “Spanish Festival” in particular.

We are also indebted to our wonderful tournament administration staff who take care of our event registration, starter and scoring duties:

**Archie Wohlgenuth and David Terrey**

To round the team off we are grateful to **Alan Nelson** for maintaining the various Order of Merit tables throughout the year.

**Thanks to you all and here's to a very smooth and successful 2018 season**
